AGED WOMAN FOUND DEAD

Mrs. Elizabeth Craig, Pioneer Resident of Charleroi, Dies Suddenly

CAME HERE FROM SCOTLAND

Mrs. Elizabeth Craig, aged 77 years one of the pioneer residents of Charleroi, was found dead in bed this morning shortly before 7 o'clock by her demise followed within a period Craig. A peculiar coincidence is that her demise fololwed within a period or slightly more than a day that of her closest neighbor, Mrs. Martha L. McClure, also a pioneer resident.

Mrs. Craig has been in failing health for the last few years, but her death was not expected. At 6:15 o'clock this morning she was heard astir. She combed her head while lying in bed and then it is supposed she dropped off, to be discovered cold in death. Heart trouble was the cause of death.

Mrs. Craig was born in Scotland and with her husband David Craig came to the United States to locate in Charleroi in 1890. During the first property sales the lot at 313 Washington avenue was purchased and a small home erected, to be supplanted later by the larger one in which Mrs. Craig lived until her death. Mr. Craig died about 20 years ago.

Five sons survive, William, David and Robert of Charleroi; James of Pittsburg and Thomas. The funeral will be held Sunday conducted by Rev. John R. Burson, pastor of the Washington Avenue Presbyterian church, where Mrs. Craig held membership. Announcement of the time will be made later. Interment will be in the Belle Vernon cemetery.

HUMAN FLAG TO BE FORMED

Novel Feature to be Introduced at Flag Raising Demonstration

DEFINITE PLANS ARRANGED

One of the novel features of the flag raising to take place as part of the monster patriotic demonstration being arranged for next Saturday afternoon will be that of a human flag, planned by Prof. I. T. Daniel, supervisor of music in the public schools and a member of the music committee for the demonstration. At a meeting of the executive committee Thursday evening Prof. Daniel was authorized to proceed with arrangements for the formation of the flag and a committee consisting of Walter Byerly, Ray Humbert and R. H. Rush was appointed to have full charge of the erection of a platform for the flag and the speakerss.

The flag will be formed by children in the schools, who will be dressed in red, white and blues, and so arranged on the platform and to form a replica of the national banner. As the flag is being raised into position of the 75 foot pole at the corner of McKean avenue and Fifth street, the children under direction of Prof. Daniel will sing national airs.

Another matter that came up at the meeting of the executive committee related to the carrying of flags by the Allies in the parade. Organizations desiring to carry them, as well as American flags will be permitted to do so.

The flag raising proper will take place at 3:30 and the parade early in the evening. During the hours of the parade a searchlight will be played on the flag.

In discussing plans for the parade and the celebration the parade committee was instructed to get in touch with the Scoutmaster of the Charleroi Boy Scouts to enlist services of the scouts in guarding cross streets.

Committee work was taken up in detail and instructions outlined for each. One feature considered was that of parking space for automobiles. Space will be reserved on railroad grounds and bathing beach grounds.

Foreign societies, the committee decided, should report as promptly as possible to the chairman of the parade committee, Burgess S. L. Woodward as to how many societies they expect to have in line and the name of each organization. No advertising banners will be permitted in the parade, which is to be in the interests of patriotism and nothing more.

If possible Congressman Henry W. Temple of Washington will be secured as one of the speakers, the committee proposed and the speakers' committee is already making an effort to get in touch with him.

WOMEN TO TAKE UP CONSERVATION

Women Suffrage Party Meeting Results in Action Being Taken

WILL TAKE PART IN PARADE

A campaign for the conservation of food will be taken up during the summer by the Charleroi Woman's Suffrage party. The use of the high school domestic science quarters has been obtained for the summer, and during the canning season it is proposed to have experts visit here to give demonstrations and to explain methods of saving.

The campaign was decided upon at a meeting of the local association held at the home of Mrs. L. E. Jobes on Meadow avenue Thursday evening. Reports were made that practically all of the $100 originally agreed upon for gardening purposes had been secured. A report was made that Dr. Anna Howard Shaw had been obliged to cancel her trip here.

Taking up the patriotic demonstration movement for next Saturday a committee was voted to make arrangements for women participating, the committee named consisting of Mrs. R. J. Whitehead, Mrs. W. S. Sweeney and Mrs. Fred Clerihue.

It was voted to send President Woodrow Wilson a letter endorsing the state suffrage resolution and the plan of prohibition for the conservation of grains.

Mrs. A. J. Whinkey was appointed to represent the [illegible] public meeting likely to be called soon for the formation of a Red Cross chapter. Miss Mary Slichter, state organizer who now is here made an address on "National Defense."

SIX DIRECTORS OF PITTSBURG LIFE NOW UNDER BAIL

Six of the 13 former Pittsburg Life & Trust directors, for whom warrants charging conspiracy in connection with the deal through which New York promoters gained control of the insurance company were issued Thursday had that night appeared before Alderman Kirby in Pittsburg and given bail. The bail in each instance was $10,000. All waived preliminary hearings and were held for court. Alderman Kirby said several others had arranged to appear in the morning. All were given 24 hours in which to appear.

The six who had arranged bail tonight were W. Howard Nimick, former president; Councilman Robert Garland; John H. Murdoch of Washington; James J. Donnell, W. W. Blackburn and W. I. Berryman.

There was surprise among the minority stockholders when it was learned that former Congressman E. F. Acheson of Washington was among those charged with conspiracy, as he had joined with the minority stockholders at their recent meeting.

Concrete Set For Flag Pole

Work Begun at Corner of Fifth Street and McKean Avenue in Preparing For Patriotic Event

Work of placing the concrete foundation for the 75 foot flag pole to be set for the flag raising demonstration to take place here next Saturday was started this morning at the corner of Fifth street and McKean avenue. A hole about six feet square and the same number of feet deep was dug under the supervision of Walter Byerly to be filled with concrete. In this concrete base the pole will be set, making it firm and secure.

PNEUMONIA PROBABLE CAUSE

Miss McAllister came to Charleroi Thursday morning to take up her regular duties. Not feeling well she was sent home early. A doctor pronounced her to be suffering from the grip and sent her to her bed. Pneumonia it is believed developed during the night bringing about her death.

Establishment of Joseph Abrams at End of Bridge Prey of Flames

BLAZE HERE SHORTLY BEFORE

The confectionery store and contents of Joseph Abrams at the Charleroi end of the Monessen-Charleroi bridge were destroyed by fire this morning at about 2:15 o'clock, with a total loss of from $1,500 to $2,000. The fire was of unknown origin and partly covered by insurance.

Both the North Charleroi and Charleroi fire departments were called out. The blaze however was not discovered until late and could not be controlled until practically the entire structure had gone.

Contents could not be saved from the hot and blazing interior. This made the loss the heavier, since Mr. Abrams had just placed in the building considerable stock purchased from a Monessen store.

The fire was the second one in a few hours for the Charleroi department to fight. The first was that at the home of Joseph Miller on Washington avenue near Sixth street. Shingles of the roof became inflamed there. Little damage was done, the fire being controlled without much trouble.

SHOULD BE PROUD

No state in the union is standing more firmly behind President Wilson in the pending crisis than the Congressional representatives from Pennsylvania. Most of them are Republicans, to be sure, but all of them are patriots and not a few of them have gone along with the president even in his demands for power greater than is enjoyed by any foreign ruler.

In both the senate and lower house of American Congress the administration at Washington has enjoyed the confidence and help of every Pennsylvania member and any and all opposition to the president's war notions has come from members of his own party—in the south where political control of the administration is lodged and from northern Democrats who have at every turn attempted to sprag the administration wheels.

Senators Penrose and Knox have backed the president to the full limit. They have supported his every proposition when his propositions were within reason and they have helped him on many instances to defeat his own party by helping to force through his recommendations.

The Republican party of Pennsylvania has every reason to be proud of the loyalty and patriotism of its representatives in both branches of the American Congress.

"CIRCUS" MUCH ENJOYED EVENT AT BYERLY HOME

Novelties to be found under the big canvass were reproduced with a distinctly human touch by the Zanana class of the Methodist Episcopal Sunday school Thursday evening at a "circus" held at the home of Mr. and Mrs. Walter Byerly on Meadow avenue and Fourth street The "circus" had the general admission show, which included the ring performances. The side show was an entertaining feature. The educated pig, the grizzly bear, clown and Little Red Riding Hood were all to be seen Refreshments consisting of giner bread and red lemonade were served. A crowd that well filled the house attended the "circus."

WEAK AND TIRED WOMAN

Tells How Vinol Made Her Strong

Charleroi women who are weak, rundown and suffer from the consequent effects of such a condition, will be interested in Mrs Odell's letter. She says:

"I am a farmer's wife and was all run-down, worn-tired and suffered from indigestion, and sometimes it seemed as though I could not keep around and do my housework. I had taken many medicines without benefit One day I saw Vinol advertised and made up my mind to try it. I have taken four bottles and have gained seven pounds in weight, am much stronger and feel many years younger than before.' Sarah Odell, Lockport, N. Y.

The reason Vinol builds up weak, run-down women so quickly is because it contains a delicious combination of most successful tonics beef and cod liver peptones, iron and manganese peptonates and glycerophosphates, in a mild tonic wine.

We want to say to every weak, Charleroi that we will return your money if Vinol fails to help you as it did Mrs. Odell.

Official Press-Statement by U. S. Govt. Bureau of Standards.

We've been preaching and practicing the same thing for years. The boiling-point of Atlantic Gasoline is always uniform. It meets Uncle Sam's ideas perfectly.

WHEN you need that little spurt to carry you over the brow, it's good to know there's Atlantic Gas in the tank. For Atlantic recognizes no obstacle.

It tackles its task with vim, vigor and determination and it has the strength and stamina to win-out against all odds.

You tank-up with good old Atlantic Gasoline. See that there is nothing else in the tank at the time, just to give Atlantic a fair trial. Man, alive! After that, you'd flat-tire it steen miles to get Atlantic, rather than risk any other fuel.

The only way to prove this out is to glide up alongside an Atlantic pump and tell the man to go ahead and grind out five-gal or so. It's worth trying, oh, it's worth trying.
